We Pay The Tax *Math Prompts*

Take-Out Menu

Coffee \$0.99

Juice \$1.25

Hot Chocolate \$1.59

Small Sub \$2.50

Large Sub \$4.75

Chicken Burger \$1.65

Chicken Nuggets \$2.79

We were lucky. Our cashier was kind.
He explained his total to us.
He answered, “ I have to add some
extra money called the **tax**.
It is called the HST.
This tax goes to the government.
It is 13% of the total.
For your order, it is an extra \$0.55.”
